WHY SPONSOR A RHYTHM & PRAISE CHARITABLE FUND EVENT?

Our event is supported by recording artists with integrity, sports figures with history, experts and service providers with experience in their fields of expertise. We bring together a united cast of people, along with your sponsorship dollars and we will make a difference.

• *Event cross-marketing will increase your business exposure within the community through event promotion on the Rhythm & Praise website, e-newsletter and social media as well as your event materials distributed during the event.*

• *Sponsorship allows your company to show support for the work we do here at Rhythm & Praise Charitable Fund.*

HOW YOUR SUPPORT HELPS

EDUCATION

• *Your sponsorship will help support the guidance on proper roads to take, for urban youth and adults between the ages of 17 and 35 years, enabling them to be more suitable for the corporate world. Implemented by experts trained to give such advice, reaching more people through community education programs presented at our empowerment events.*

HEALTH & WELLNESS

• *Provide tips on how to take care of urban families' health and wellness, focusing on eating properly and targets toward overall healthcare.*

ENTREPRENEURSHIP

• *We will work tirelessly to offer a strong presence at our events for job search and placement resources.*

PARENTING

• *The epidemic in our youth's misdirection and lack of identity is a direct result in the lack of support in proper parenting skills. Regardless of whether either parent is present in the home or not, proper care and direction for our youth is desperately needed. With babies raising babies our future is at stake when leadership at the basic community level is virtually nonexistent.*

EMPOWERMENT

• *Too many of our urban family members are disenfranchised, walking around with their heads down, wondering what's next. We must awaken the hope in each of them and reaffirm the realization that we are ALL in this together.*

Make A Difference.

...and elevate your brand at the same time.

Imagine a world brimming with like-minded individuals who want to be counted and counted on to lead a meaningful life.

PARTNERSHIP

IN THE NUMBER

In **The Number** is driven by a moral compass. The principle to do good and share that good with others in making this a better world encompasses our entrepreneurial spirit. We embark on a more purposeful planet by reinvesting our energies and resources in causes that affect positive change in the world.

Our strength lies *in the numbers*. We imagine a world rich with individuals who want to lead a meaningful life – one of love, strength, and purpose. You are an important part of the sum total of the equation.

We strive “to do good” for ourselves, our families, our communities, and our planet. In striving towards perfection we are better together as a collective movement, affecting change in our world – *one number at a time*.

Veteran Gives Back to His Community

Wendell is a Vietnam veteran who served as one of the youngest sergeants in the Marine Corps. He received the Purple Heart and the Navy and Marine Corps Commendation Medal for sustained acts of heroism while leading his troops in 57 battles. After serving in the military, he played professional golf in Phoenix and promoted Gospel music in Minneapolis and Atlanta. He's the proud father of three grown children; all attended college and have careers of their own.

Faith in Tough Times

After retiring, Wendell faced unexpected financial challenges. "There are times when you have to have faith that something will be there for you," he said. "You have to knock and believe the door will be opened."

His prayers were answered through Rosaleana's Community Development Center, a partner agency of the Atlanta Community Food Bank that provides transitional housing and food assistance. "When I think of Rosaleana's and the Food

Bank, the word blessing is what should be used," said Wendell. Today, he helps others through his own nonprofit, Rhythm & Praise Charitable Fund, a program of United Charitable. The organization collaborates with community partners and musicians to provide tools for urban youth and families to succeed.

"You have to have faith that something will be there for you."

This November, Rhythm & Praise will host a community fair for up to 1,000 newly released prisoners. "We'll connect them to groups that offer services to help them get back on their feet – assistance and training in the areas of job readiness, nutrition, education, parenting and more," said Wendell. "Of course, we'll have live music too. We're there to show a positive side to life. Music brings a message of hope."

Wendell received the Purple Heart and the Navy and Marine Corps Commendation Medal while serving in Vietnam.
